

"High quality, high intensity review of current interventional technology - C<sup>3</sup> is a **complete powerhouse** with the best facility and leaders across the globe"

-NILESH BALAR, MD, FACS

"C<sup>3</sup> is a truly distinctive meeting: whilst relaxed, it is extremely rigorous, with a high level of scientific attainment. **C<sup>3</sup> assembles world-renowned faculty to discuss contemporary topics in an outstanding setting....simply unmissable!**"

-MAGDI EL-OMAR, BSC, MBBS, MRCP, MD

"I attended the session on negotiating contracts - that alone was **worth the price of admission**"

- VINAY SATWAH, MD

"The C<sup>3</sup> meeting is an **extraordinary opportunity** for cardiologists to get a complete update on all aspects of coronary, peripheral and structural intervention in a setting that fosters personal interaction with experts from around the world"

-GARY ROUBIN MD, PHD, FACC, FSCAI

"Each year I come away from C<sup>3</sup> with deeper understanding of how others handle my everyday practice issues, **broadening my views and improving my skills** as clinician"

-BRYAN KLUCK, DO, FSCAI

"C<sup>3</sup> - From Fellowship to Mastery - **a longitudinal learning destination** for interventional cardiologists"

-GAUTAM KUMAR, MD, FSCAI

"Among the great interventional cardiology meetings, C<sup>3</sup> truly sets itself apart as the "sweet spot" of **cutting-edge clinical instruction**, relevant didactic content and international collaboration."

- SANDEEP NATHAN, MD, MSC

"If you have to attend only two meetings in 2018, **C<sup>3</sup> should be one of them.**"

-TIM FISCHHELL, MD

“Over the past 13 years, C<sup>3</sup> has seen remarkable growth and has become a global phenomenon. The collegiality of C<sup>3</sup>, mixed with the highest scientific rigor, while keeping real-world clinical problems at center stage, **remains the best single gathering in cardiovascular medicine.** On behalf of the C<sup>3</sup> course Co-Chairs and Scientific Organizers, please allow me to extend an upcoming season’s greeting and invite you all to Orlando this June 2018.”

- **RAJESH DAVE, MD, FSCAI, FACC**  
C<sup>3</sup> COURSE DIRECTOR

## WHY ATTEND C<sup>3</sup> IN 2018?

### 10 REASONS WHY YOU NEED TO ATTEND:

- 1 Over 30 hours of CME credit in just 4 days!
- 2 Access to the “Best of the Best” clinicians in cardiovascular medicine to answer to your real-world questions one-on-one.
- 3 An unparalleled networking opportunity with global cardiovascular leaders, colleagues and administrators from nearly 50 countries.
- 4 More than 30% of trainee registrants cited job opportunities and fellowship interviews linked to their attendance of C<sup>3</sup>.
- 5 Exposure to the latest innovations in coronary, structural, endovascular and venous interventions – all within a single meeting!
- 6 Hands-on skills labs offered throughout C<sup>3</sup> providing focused instruction on novel technologies and innovative techniques delivered by some of the most experienced operators from across the globe – not available anywhere else!
- 7 Educational programs that address every level - from basic essential skills to the most complex techniques.
- 8 International Joint Partnership Sessions including ESC, European Bifurcation Club, Euro CTO Club, Asia Pacific CTO Club, Japan CCT and many others added each year!
- 9 Publish your abstracts in peer-reviewed national and international journals.
- 10 Live transmissions from world-renowned centers featuring coronary, venous, endovascular and structural cases.

## A FEW MORE REASONS

### TO MAKE C<sup>3</sup> 2018 YOUR CARDIOLOGY CONFERENCE DESTINATION:

- Learn how to better negotiate contracts.
- Interested in expanding your practice to include aesthetics? Join our Skill Labs on Botox, dermal fillers and sclerotherapy.
- Dedicated limb salvage programs for wound care specialists.
- You don't want to miss 'Meet the Legend' and 'Current Luminaries' sessions!
- Dedicated tracks for general cardiology updates.
- Fabulous family-friendly location in beautiful Orlando, Florida with easy access to Universal Studios, Disney® theme parks, shopping, and more!
