The Premier Meeting for Vascular Health Professionals
May 30 – June 1, 2013

Moscone Center West, San Francisco, CA, USA

Postgraduate Courses Day
May 29, 2013

SVS/STS/AATS Symposium
June 1, 2013

Register today and find the most updated information at VascularAnnualMeeting.org.
The Society for Vascular Surgery® (SVS) invites you to attend the 2013 Vascular Annual Meeting®, May 30-June 1, 2013 in San Francisco. Join colleagues from around the world at the premier educational meeting for vascular health professionals.

Accreditation
The Society for Vascular Surgery® is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

2013 Vascular Annual Meeting

- **Designation of Credit**
The Society for Vascular Surgery designates this live activity for a maximum of 30.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- **Overall Learning Objectives**
The Vascular Annual Meeting is designed to provide a variety of learning opportunities in vascular surgical practice, research and science that support individual educational needs and lifelong learning. At the conclusion of the meeting, participants should be able to apply the knowledge acquired to enhance patient care.

- **Target Audience**
The Vascular Annual Meeting is designed for:
  - Vascular surgeons
  - Physicians in related specialties
  - Fellows/residents in vascular surgery and general surgery training programs
  - Interventional radiologists working in the vascular imaging and intervention field
  - Physician assistants and nurses involved in the care of vascular surgical patients
  - Vascular technologists and vascular lab administrators
  - Researchers, administrators, practice managers, and allied health professionals with an interest in the science and treatment of vascular disease
  - Medical students with an interest in vascular surgery

2013 Postgraduate Courses Day

- **Designation of Credit**
The Society for Vascular Surgery designates this live activity for a maximum of 9 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- **Overall Learning Objectives**
The Postgraduate Courses are designed to provide a variety of learning opportunities in vascular surgical practice, research and science that support individual educational needs and lifelong learning. At the conclusion of the meeting, participants should be able to apply the knowledge acquired to enhance patient care.

- **Target Audience**
The Postgraduate Courses are designed for:
  - Vascular surgeons
  - Physicians in related specialties
  - Fellows/residents in vascular surgery and general surgery training programs
  - Interventional radiologists working in the vascular imaging and intervention field
  - Physician assistants and nurses involved in the care of vascular surgical patients
  - Vascular technologists and vascular lab administrators
  - Researchers, administrators, practice managers, and allied health professionals with an interest in the science and treatment of vascular disease
  - Medical students with an interest in vascular surgery
SVS/STS/AATS Symposium

- **Designation of Credit**
  The Society for Vascular Surgery designates this live activity for a maximum of 8 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- **Overall Learning Objectives**
  The SVS/STS/AATS Symposium will focus on aneurysms involving the visceral vessels, as well as acute and chronic dissections. At the conclusion of the symposium, participants should be able to apply the knowledge acquired to enhance patient care.

- **Target Audience**
  The SVS/STS/AATS Symposium is designed for:
  - Vascular surgeons
  - Cardiac surgeons and cardiologists
  - Fellows/residents in vascular, thoracic, cardiac and general surgery training programs
  - Interventional radiologists working in the vascular imaging and intervention field
  - Physician assistants and nurses involved in the care of vascular surgical patients
  - Vascular technologists and vascular lab administrators
  - Researchers, administrators, practice managers, and allied health professionals with an interest in the science and treatment of vascular disease
  - Medical students with an interest in vascular surgery

SVS Fellow/General Surgery Resident/ Medical Student Educational Program

SVS is dedicated to recruiting medical students and general surgery residents to the specialty to ensure the best young medical professionals become vascular surgeons. The 2013 Vascular Annual Meeting will feature an extensive Fellow/Resident/Student educational and networking program, which will run from May 29 - June 1.

The overarching goal of the program is to allow residents and students to explore their interest in vascular surgery. The program provides an excellent opportunity for learners of all levels (first year medical students to senior level surgical residents to vascular surgery trainees) to meet other learners with similar interests and provides students and residents with the opportunity to meet members and leaders of the vascular surgical community.

Through this program, trainees will be able to attend scientific sessions and educational programs designed exclusively for them, such as an open and endovascular simulation training session, surgical skills competition, and a residency fair. To foster interest in the specialty, SVS members are encouraged to invite interested trainees to attend the Vascular Annual Meeting.

For a complete Fellow/Resident/Student Educational Program Agenda, visit VascularWeb.org.
What’s New This Year?

- **Clinical Practice Track**
  This year, the Vascular Annual Meeting has scheduled tracks to enable vascular surgeons to attend more programming pertinent to their specific interests. For example, one track will concentrate on clinically active surgeons and will focus on topics such as best practices, hospital negotiations, meaningful use, practice pearls, and more.

- **SVS/STS/AATS Symposium: Advances and Controversies in the Contemporary Management of Complex Thoraco-abdominal Aneurysmal Disease**
  Advances in technology, both surgical and endovascular, have outpaced common clinical practice knowledge resulting in new paradigms in patient treatment, particularly for complex aortic aneurysms. This session will focus on aneurysms involving the visceral vessels, as well as acute and chronic dissections.

- **International Forum**
  An exciting new session, the International Forum, has been planned to increase the international exchange among vascular surgeons around the world. This session, to be held at 5:00 pm on Wednesday, May 29, will feature abstracts submitted by international authors.

- **New Exhibit Hall Layout**
  This year’s Vascular Annual Meeting will feature a new exhibit hall layout. The new layout has been designed to increase traffic flow for all exhibitors, large and small alike. Don’t miss this opportunity to learn about the vascular community’s latest products, devices, and services in the Exhibit Hall.

- **SVS Vascular Quality Initiative (VQI) Annual Report**
  With more than 200 participating centers and data from approximately 75,000 procedures, SVS VQI has matured to the point that a dedicated Vascular Annual Meeting session was designed for the presentation of both quality related reports and scientific papers based on regional and national VQI data.

---

**Wednesday Afternoon Concurrent Sessions**

Several concurrent sessions will be offered on Wednesday, May 29 from 5:00 pm – 6:30 pm. Please make travel plans accordingly to attend these exciting sessions.

**Vascular Annual Meeting Mobile App**

Supported by Cook Medical

This year’s Vascular Annual Meeting will once again feature a mobile App (iPhone, iPad and Android devices). The App will allow attendees to build their own schedule, including personal appointments with exhibitors, search the program by topic or speaker, and reference the Exhibit Hall and Convention Center floor plans.

**Poster Competition**

A moderated poster competition will take place at the Vascular Annual Meeting. Accepted abstracts, selected by the SVS Program Committee for poster presentation, will go through a two-round judging process with the final round and prize presentation on Saturday, June 1. Attendees will use an audience response system keypad to vote for the top three posters.
**Video Presentations**

Each plenary session of the Vascular Annual Meeting will include a five-minute video presentation of an open or endovascular procedure by a SVS member or sponsored guest. This will be followed by five minutes of comments and questions from the floor.

**Clinical Debate Session**

The Clinical Debate Session is scheduled for Friday, May 31. There will be two debate topics and two or three different positions. Audience members will then vote for the best debates with a response system keypad.

**Opening Reception**

Plan to attend this year’s opening reception at 5:30 pm on Thursday, May 30 in the Exhibit Hall. An invitation will be included in the virtual tote bag to be forwarded to all registered attendees prior to the meeting. Enter the raffle to win two complimentary airline tickets good for travel anywhere in the continental U.S. and complimentary 2014 meeting registration.*

*A airline restrictions apply. Prize is not transferable and may not be redeemed for cash.

**Exhibitor Education/Training Pavilions**

Once again, SVS is offering exhibitor-sponsored education and training sessions. In pavilions located in the Exhibit Hall of Moscone West Convention Center, sessions will be presented by Cook Medical, Thursday and Friday, Pavilion D and Gore and Associates, Thursday through Saturday, Pavilions B and C. The pavilions will be open throughout the week at specified times published in the onsite program.

**CME Transcripts Available On Site**

A CME Certificate for the Vascular Annual Meeting is available to print at the CME counters in the registration area of Moscone West Convention Center. As an alternative, a link will be available to claim CME credit on VascularAnnualMeeting.org during and following the meeting.

**Cyber Café**

The Cyber Café will be located in the Exhibit Hall of the Moscone West Convention Center. Attendees may use the Cyber Café to check or send email and stay in touch with the office; locate meeting attendees and exhibiting companies; or print a boarding pass for the trip home. Don’t forget to check the scrolling message monitor for messages from colleagues. Please be courteous to colleagues and limit Cyber Café time during peak hours. The Cyber Café will be open during exhibit hours.

**Follow the Red Carpet**

A red carpet will be installed from the plenary session room to the entrance of the Exhibit Hall. Be sure to visit the exhibits and support partnering sponsors that are an integral part of the Vascular Annual Meeting.

**Plenary and Breakfast Session Downloads**

Supported by Medtronic, Inc.

Once again, plenary and breakfast session downloads will be available in the Exhibit Hall. All plenary and breakfast sessions will be available for downloading after the sessions have been presented. Visit the Medtronic Booth #428 in the Exhibit Hall during exhibit hours. Flash drives will be distributed to each professional attendee in the registration area upon redemption of the flash drive voucher provided to all professional attendees at registration.

</table>
About San Francisco
San Francisco is often called “Everybody’s Favorite City,” a title earned by its scenic beauty, cultural attractions, diverse communities, and world-class cuisine. Measuring 49 square miles, this very walkable city is dotted with landmarks like the Golden Gate Bridge, cable cars, Alcatraz and the largest Chinatown in the United States. A stroll of the city’s streets can lead to Union Square, the Italian-flavored North Beach, Fisherman’s Wharf, the Castro, Japantown and the Mission District, with intriguing neighborhoods to explore at every turn.

Views of the Pacific Ocean and San Francisco Bay are often laced with fog, creating a romantic mood in this most European of American cities. The city has a colorful past, growing from a small village to a major city nearly overnight as a result of the 1849 Gold Rush. The writers of the “beat” generation, the hippies of the Summer of Love in the late 1960’s and the large gay/lesbian population have all contributed to making San Francisco the fascinating place it is today.

The city is home to world-class theatre, opera, symphony and ballet companies and often boasts premieres of Broadway-bound plays and culture-changing performing arts. San Francisco is one of America’s greatest dining cities. The diverse cultural influences, proximity of the freshest ingredients, and competitive creativity of the chefs result in unforgettable dining experiences throughout the city. For additional information about this world-class city, visit www.sanfrancisco.travel/vam.

International Meeting Registration
SVS is pleased to offer a discounted registration fee of US$250 for attendees from designated countries. For additional information, please visit VascularAnnualMeeting.org/vaminternational. This fee is available online or via a faxed registration form.

Onsite Registration
Online registration is available 24 hours a day, seven days a week throughout the meeting. If a registration form is being used, it must be received by May 20 or onsite registration will need to be utilized. Onsite registration opens at 6:00 am Wednesday, May 29 and will be located in the Level 1 lobby area of the Moscone West Convention Center. To avoid duplicate charges, persons who plan to register onsite should NOT mail or fax a meeting registration form. The registration hours are:

- Wednesday, May 29: 6:00 am – 6:30 pm
- Thursday, May 30: 6:00 am – 6:00 pm
- Friday, May 31: 6:00 am – 5:30 pm
- Saturday, June 1: 6:00 am – 5:00 pm

Cancellation Policy
A full refund, less the processing fee of US$50, will be granted for all written requests postmarked by May 15. No refunds will be made for cancellations postmarked after this date. Telephone cancellations will not be accepted. Cancellations may be sent via fax to 312-334-2320 or via email to vascular@vascularsociety.org. SVS reserves the right to cancel any program and cannot assume responsibility for personal expenses.

Hotel Information
Housing officially opens on March 5. The official SVS hotels include:
- San Francisco Marriott Marquis (Headquarters): US$279 single/double
- Hotel Abri: US$199 single/double
- Mosser Hotel: US$159 single/double
- Serrano Hotel: US$189 single/double
- Sir Francis Drake: US$199 single/double
- Villa Florence Hotel: US$199 single/double

*Subject to appropriate state, local and occupancy tax currently at 15.75%
Note: Hotels will not accept reservations directly. Reservations must be made through SVS Housing Bureau. Members of the Society for Vascular Ultrasound (SVU) are requested to refer to their society for housing information as SVU has secured its own block of rooms.
PART 1  REGISTRANT INFORMATION

First Name  M.I.  Last Name    Credentials

Nickname for Badge (if blank, your first name will be used)    Email Address (Required for CME Certificate)

Institution/Organization    Department/Suite

Address  City  State            Country   Zip/Postal Code

Business Phone  Fax Number  Mobile Number (SVS use only)

☐ Please check here if you are a STS or AATS member.
☐ Please check here if you do not want your telephone number or email address shared with SVS exhibitors.
☐ Please check here if you do not want to receive meeting updates via text message.

Disability Accommodations: Pursuant to the Americans with Disabilities Act, I require specific aids or services during the meeting:
☐ Audio  ☐ Visual  ☐ Mobility  (14)

PART 2  DEMOGRAPHIC INFORMATION (PHYSICIANS ONLY)

1. Are you actively involved in direct patient care?  ☐ Yes  ☐ No (01)

2. What percent of your time is spent in (please circle):
   Practice (02)  25%+  50%+  75%+  None
   Teaching (03)  25%+  50%+  75%+  None
   Administration (04)  25%+  50%+  75%+  None

3. How many patients do you see per week? (05)

4. How many prescriptions do you write per week? (06)

5. Are you actively involved in the management of a vascular lab?  ☐ Yes  ☐ No (07)

6. Do you make decisions about the following, and approximately what is your annual expenditure on each?
   Equipment:  ☐ Yes  ☐ No (08)  Annual Expenditure $ (09)
   Supplies:  ☐ Yes  ☐ No (10)  Annual Expenditure $ (11)
   Devices:  ☐ Yes  ☐ No (12)  Annual Expenditure $ (13)

7. Are you a member of PVSS?  ☐ Yes  ☐ No

8. Would you be interested in serving as a mentor for residents and students?  ☐ Yes  ☐ No (19)

PART 3  REGISTRATION CATEGORIES AND FEES

Please select one:
☐ Society for Vascular Surgery (SVS) Member (01)  ☐ Distinguished Fellow (06)  ☐ Honorary Member (07)  ☐ $600
☐ SVS Candidate Member (02)  ☐ $400
☐ SVS Candidate Member In Training (25)  ☐ $250
☐ Non-Member Physician (03)  ☐ $795
☐ International Physician  ☐ Non-Member (08)  ☐ Member (21)  ☐ $250

For a list of eligible countries, please visit VascularAnnualMeeting.org/vaminternational

☐ Vascular Surgery Resident (w/letter from Chief of Service) (04)  ☐ $250
☐ General Surgery Resident (w/letter from Chief of Service) (09)  ☐ $250
☐ Medical Student (w/letter from University) (10)  ☐ $250
☐ SVS Allied Health Professional Member (20)  ☐ $500
☐ Allied Health Professional (05)  ☐ Vascular Nurse  ☐ Physician’s Assistant  ☐ Other (16)  ☐ $525

Includes non-MD registrants, PhD and Researchers.
PART 5  METHOD OF PAYMENT

Registration forms will not be processed without full payment in U.S. funds. Please make checks payable to SVS and mail to:
SVS Registration, c/o CompuSystems, Inc., PO Box 6271, Broadview, IL  60155.

☐ American Express  ☐ MasterCard  ☐ Visa  ☐ Check (Check #__________)

Credit Card Number

Expiration Date (mm/yy)

Name as it appears on card

Cardholder Signature

Faxed and mailed registration forms will be processed within 72 hours of receipt and an email confirmation will be sent if an email address is provided. Otherwise, a confirmation will be mailed to the address provided. Cancellations received before May 15 will be honored less a $50 processing fee.

Questions? Call customer service at 877-303-0717 or 708-486-0717 (outside the U.S.) during the hours of 9:00 am – 5:00 pm Central time.
Hotel Reservations

The SVS Housing Bureau assists all SVS meeting registrants with hotel accommodations as reservations are not accepted by the hotels directly. Reservations may be secured by calling 866-268-0197 or 972-349-5435 (international) or online at VascularAnnualMeeting.org. Exhibitors may call 866-546-4299 or 972-349-5403 (international) in addition to online reservations.

Reservations must be guaranteed by credit card. A first night deposit is required. Cancellations are accepted 72 hours prior to arrival. Check-in time is 3:00 pm and check-out time is Noon, after which additional charges may apply. The reservation deadline is April 29, 2013.

Ground Transportation

American Aiporter Shuttle provides 24/7, door-to-door ground transportation from San Francisco and Oakland International Airports in vans with uniformed, courteous drivers. For fare and reservation information, visit americanairporter.com.

Taxi fares

Approximate taxi fares are US$40* and US$51* from San Francisco International Airport and Oakland International Airport respectively.

*One-way, excluding gratuity and tolls

Parking

Moscone Center does not have a public parking facility. Listed below are public parking garages in close proximity to the facility, each of which provide specific spaces reserved for use by authorized, handicapped individuals.

- **Fifth & Mission Parking Garage**
  833 Mission Street (between Fourth & Fifth Streets, adjacent to Moscone West). For additional information, call 415-982-8522 x18 or visit fifthandmission.com

- **Hearst Parking Center**
  45 Third Street (entrance on Stevenson, two blocks from Moscone South/North). For additional information, call 415-989-4000 or visit cityparkssf.com/parkingmap.

- **Moscone Center Garage**
  255 Third Street (Folsom & Howard, across the street from Moscone South’s Esplanade Ballroom). For additional information, call 415-777-2782 or visit mosconecentergaragerates.com.

- **Museum Parc Garage**
  300 Third Street (entrance on Third and on Folsom Streets). For additional information, call 415-348-0304 or visit cityparkssf.com/parkingmap.

*All pricing at time of writing and are subject to change

Child Care Options

Please check with the hotel concierge regarding available child care options. Due to safety concerns and insurance liability, individuals under the age of 21 are not allowed on the exhibit floor. As a consideration to others, children are not permitted in any Vascular Annual Meeting function, including all educational sessions and social events.

Attire

The attire for the conference is business casual during the day and resort casual for hospitality events.

Americans with Disabilities Act Accommodations

Registrants who need specialized accommodations to participate in the Vascular Annual Meeting (i.e., a hearing impaired device or assistance obtaining a motorized scooter rental) should check the appropriate box under Disability Accommodations on the Meeting Registration Form. SVS office staff will contact the attendee and discuss accommodations.

Sponsorships

Thanks and appreciation to the 2013 SVS Vascular Annual Meeting Supporters:

- **Bolton Medical**
  Mobile Device Charging Station, Two Red Carpet Logos, Two Glass Railing Clings, Meter Panel Signage

- **Cook Medical**
  Vascular Annual Meeting Mobile App

- **Covidien**
  Headquarters Hotel Key Cards & Sleeves

- **Medtronic, Inc.**
  Plenary and Breakfast Session Downloads and Flash Drives
