## COURSE HIGHLIGHTS

- Neurology in Clinical Practice is an annual Mayo Neurology course that brings together a multidisciplinary faculty from Rochester, Minnesota, Jacksonville, Florida and Scottsdale, Arizona.
- The course, consisting of case-based presentations and afternoon workshops, will serve as a primer of common neurological clinical problems.
- Intended to provide a comprehensive, evidence-based review with recent advances in the evaluation, diagnosis, treatment and management of neurological disorders.
- Discussion topics include movement disorders, headache and pain, epilepsy, neuro-immunology, neuro-ophthalmology and neuro-otology, neuromuscular disorders, neuro-oncology and paraneoplastic disorders, behavioral neurology and sleep, stroke and CNS infections.
- The course will also feature an American Board of Psychiatry and Neurology (ABPN) MOC Self-Assessment activity awarding up to 8.0 SA-CME credits.

## TARGET AUDIENCE

This course is designed for any provider who sees patients with neurologic disease including: neurologists, psychiatrists, primary care physicians including internists and family care practitioners, nurse practitioners, physician assistants and nurses.

## LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Diagnose and manage common Neurologic disorders
- Manage patients with acute stroke and be aware of secondary prevention options
- Differentiate various types of seizures and develop an approach to seizure management
- Recognize and treat neurologic CNS infections
- Develop a practical approach to the management of the dizzy patient
- Recognize and treat various headache types
- Formulate an approach to the diagnosis and management of various disorders of the peripheral nervous system
- Recognize and treat various forms of dementia and Parkinson's disease
- Evaluate and treat patients with multiple sclerosis and recognize its mimickers
- Recognize the roles of neuroimaging and electrodiagnostic, genetic and autonomic testing in the management of neurologic disease

## COURSE DIRECTORS

Erika D. Driver-Dunckley, M.D.  
Katherine H. Noe, M.D., Ph.D.
