

PAAM 2019 Programme Overview

Thursday • 17 October 2019

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV
08:00-10:30		HIGH LEVEL SUMMIT ON IMMUNODEFICIENCIES organised by the Working Group on Immunodeficiencies	POSTGRADUATE COURSE 2: Drug allergy	POSTGRADUATE COURSE 3: Allergy and Asthma Diagnosis	POSTGRADUATE COURSE 4: In Chinese
10:30-11:00	Coffee Break				
11:00-12:30		HIGH LEVEL SUMMIT ON IMMUNODEFICIENCIES Cont'd	POSTGRADUATE COURSE 2: Drug allergy Cont'd	POSTGRADUATE COURSE 3: Allergy and Asthma Diagnosis Cont'd	POSTGRADUATE COURSE 4: In Chinese Cont'd
12:30-13:00	Lunch Break for Postgraduate Courses' participants				

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV	Posters Area
13:00-13:05	WELCOME ADDRESSES					
13:05-14:30	<p>PLENARY SESSION 1: Precision medicine in Pediatric allergy and immunology Chairs: Montserrat Alvaro-Lozano & Antonella Muraro</p> <p>Individualizing the approach to rhinitis: nasal barrier and the troublesome allergic rhinitis • Peter Hellings (Belgium)</p> <p>Early life onset of allergy: one size doesn't fit all • Erik Melen (Sweden)</p> <p>Precision medicine for immunodeficiencies • Luigi Notarangelo (USA)</p>					

Time	Main Hall	Parallel Hall I	Parallel Hall II	Posters Area
14:30-14:40	Shifting Break			
14:40-16:10	<p style="text-align: center;">SYMPOSIUM 1: Vaccines development and Immune functions early in life</p> <p>Mucosal immunity and mucosal vaccine development – new antiviral strategies • Pearay L. Ogra (USA)</p> <p>The impact of different lifestyle conditions in asthma and allergy development • Donata Vercelli (USA)</p> <p>Can we get protection from asthma; the hygiene hypothesis from bench to bedside</p>	<p style="text-align: center;">SYMPOSIUM 2: Allergy and the skin Chair: Charlotte Mortz</p> <p>Allergic contact dermatitis in children</p> <p>Practice guidelines for chronic urticaria</p> <p>New treatments for atopic dermatitis • Charlotte Mortz (Denmark)</p>	<p style="text-align: center;">WORKSHOP 1: Adherence: how much does it matter? Chair: Ulrich Wahn</p> <p>Risk factors and psychological profile for non-adherence: how to address them?</p> <p>Adherence from a patient's perspective</p> <p>Adherence: perspective from the real life • Ulrich Wahn</p>	
16:10-16:25	Coffee Break			
16:25-17:55	ORAL ABSTRACT SESSION 1	<p style="color: red;">16:25-17:25</p> <p style="text-align: center;">INDUSTRY SATELLITE SYMPOSIUM 1</p> <p style="color: red;">Supported by: Nutricia / Danone</p>		POSTER VIEWING SESSION 1
17:55-18:00	Shifting Break			
18:00-19:30	<p style="text-align: center;">SYMPOSIUM 3: Anaphylaxis management Chair: Antonella Muraro</p> <p>Understanding and predicting severity in real life</p> <p>Quantifying anaphylaxis with a severity score • Carsten Bindslev-Jensen (Denmark)</p> <p>Auto-injectors: which type and how many? • George Du Toit (UK)</p>	<p style="text-align: center;">SYMPOSIUM 4: Addressing the child's nose Chair: Antonella Muraro</p> <p>Rhinitis in children: one size doesn't fit all</p> <p>Patient's focused treatment: are current antihistamines tailored for the pediatric age?</p> <p>Quality of life in children with allergic rhinitis • Pablo Rodriguez del Rio (Spain)</p>	ORAL ABSTRACT SESSION 2	POSTER VIEWING SESSION 2
19:30-20:30	OPENING SESSION Awards Presentation			
20:15-22:00	Welcome Reception			

PAAM 2019 Programme Overview

Friday • 18 October 2019

Time	Parallel Hall III	Parallel Hall IV	Parallel Hall V (Poster Discussion)	Parallel Hall VI	Parallel Hall VII
07:30-08:30	LEARNING LOUNGE 1: Controversies in allergy: hypersensitivity to antihistamines and steroids	LEARNING LOUNGE 2: Why is this child's asthma not well controlled?	LEARNING LOUNGE 3: Oral Food challenge: preparation from the dietitian perspective	LEARNING LOUNGE 4: Rash in children: it is not always allergy!	LEARNING LOUNGE 5: Provocation test in children: nasal and conjunctival

Time	Main Hall
08:30-10:00	<p>PLENARY SESSION 2: Frontiers in food allergy Chair: Antonella Muraro</p> <p>Food allergy at the cross-over between prevention, diagnosis and food allergen management</p> <ul style="list-style-type: none"> • Clare Mills (UK) <p>Food immunotherapy: new evidence on the mechanisms</p> <ul style="list-style-type: none"> • Cecilia Berin (USA) <p>Biomarkers to support decision making in clinic</p> <ul style="list-style-type: none"> • Kirsten Beyer (Germany)

10:00-10:30	Coffee Break					
-------------	---------------------	--	--	--	--	--

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV	Parallel Hall V (Poster Discussion)
10:30-12:00	<p>SYMPOSIUM 5: Managing immunodeficiency</p> <p>New perspectives in immunodeficiency</p>	<p>SYMPOSIUM 6: Food protein enterocolitis – FPIES Guidelines</p> <p>(This symposium will be jointly with the FPIES USA Patient's organization)</p>	<p>WORKSHOP 2: Recurrent wheezing in pre-school children</p> <p>Recurrent wheezing in pre-school children</p>		<p>ORAL ABSTRACT SESSION 3</p>	<p>POSTER DISCUSSION SESSION 1</p>

PAAM 2019

17 – 19 October 2019
Florence, Italy

	Immunodeficiencies and autoimmune diseases Gene therapy	Pathogenesis What is missing in the diagnostic pathway? Elimination diet The patient's burden	Severe bronchiolitis profile and risk of recurrent wheeze at 3 years of age Role of outdoor pollution			POSTER DISCUSSION SESSION 2
--	--	--	--	--	--	--------------------------------

PAAM 2019

17 – 19 October 2019
Florence, Italy

Time	Main Hall	Parallel Hall I	Parallel Hall II	Posters Area	Parallel Hall V (Poster Discussion)	Posters Area
12:00-13:00	Lunch break			CLINICAL VILLAGE		
13:00-14:30	SYMPOSIUM 7: Understanding severe asthma Understanding mechanisms and improving management • Rob Lemanske (USA) Uncontrolled asthma: what I am missing? Has allergen immunotherapy a role in asthma and severe asthma? • Susanne Lau (Germany)	12:15-13:15 LUNCH INDUSTRY SATELLITE SYMPOSIUM 2 Supported by: Nestlé Nutrition Institute			POSTER DISCUSSION SESSION 3	POSTER VIEWING SESSION 3
		13:30-14:30 INDUSTRY SATELLITE SYMPOSIUM 3 Supported by: Aimmune			POSTER DISCUSSION SESSION 4	
14:30-16:00	SYMPOSIUM 8: Food allergy from lab to clinic Chair: Ronald van Ree IgE and IgG towards allergen components as biomarkers of food allergy • Ronald van Ree (Netherlands) Food allergy severity predictions based on cellular in vitro tests Hypoallergen immunotherapy for food allergy • Lars K. Poulsen (Denmark)	WORKSHOP 3: Should we ban the pets in 2019? Pets – protective or risk factors? Making an accurate diagnosis of pet allergy • Marianne van Hage (Sweden) Immunotherapy for pets: what is the evidence?	WORKSHOP 4: Allergen immunotherapy: what are the cost benefits? Socioeconomics and Health economics of allergic diseases Assessing cost effectiveness of OIT for food allergy Immunotherapy for respiratory allergy: is the cost worthwhile?	Asia Pacific Association for Pediatric Allergy, Respiriology and Immunology - APAPARI SYMPOSIUM “Childhood Anaphylaxis: Lessons we learn when East meets West” Anaphylaxis in children- What have we learnt from EuroPrevall Studies? Food induced anaphylaxis from Asia- the common and not-so-common allergens that you should know. The fishy stories of seafood allergy from around the world	14:30-15:10 PRO-CON SESSION 1: Biologicals are effective and safe in food allergy CON: Jonathan Hourihane (Ireland)	
					15:10-16:00 PRO-CON SESSION 2: Intermittent Therapy with High Doses of Inhaled Glucocorticoids When Children Enter into the Yellow Zone and are Not Receiving Maintenance Inhaled Glucocorticoids is effective CON: Susanne Lau (Germany)	
16:00-16:30	Coffee break				Coffee break	

PAAM 2019

17 – 19 October 2019
Florence, Italy

Time	Main Hall	Parallel Hall I	Parallel Hall II	Posters Area	Parallel Hall V (Poster Discussion)	Posters Area
16:30-18:00	<p>WORKSHOP 5: Drug allergy in children</p> <p>Diagnosis of drug allergy in children</p> <p>Diagnosis and management of reactions to vaccines</p> <p>Protocols for drug allergy desensitization in children</p>	<p>WORKSHOP 6: OIT for Wheat allergy</p> <p>OIT as an effective therapy for wheat allergy?</p> <p>OIT as an effective therapy for wheat anaphylaxis</p> <p>Balancing the benefits and adverse reaction of OIT for wheat allergy</p> <p>• Mika Makela (Finland)</p>	<p>INDUSTRY SATELLITE SYMPOSIUM 4</p> <p>Supported by: Nutricia / Danone</p>			<p>POSTER VIEWING SESSION 4</p>

PAAM 2019 Programme Overview

Saturday • 19 October 2019

Time	Parallel Hall III	Parallel Hall IV	Parallel Hall V (Poster Discussion)	Parallel Hall VI	Parallel Hall VI
07:30-08:20	LEARNING LOUNGE 6: Oral immunotherapy protocols for milk / egg [30 min each rotation among 2 rooms] • Antonella Muraro • Montserrat Alvaro-Lozano	LEARNING LOUNGE 7: Oral Food challenge: preparation from the dietitian perspective	LEARNING LOUNGE 9 Managing allergy and asthma at school • Rob Lemanske	LEARNING LOUNGE 10 Are skin test before oral test with betalactam necessary?	YEAR in Review in collaboration with PAI Update on respiratory diseases An update on epidemiology of allergic diseases An update on food allergy
Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	
08:30-10:00	PLENARY SESSION 3: Prevention of allergy and asthma: still a realistic goal? Chair: George Du Toit (UK) Can understanding of epigenetics improve prevention? Does targeting the skin matter for prevention? Prevention of food allergy – the new guideline				
10:00-10:30	Coffee break				
10:30-12:00	SYMPOSIUM 9: Special products for cow's milk allergy		SYMPOSIUM 10: Improving care in adolescents and young people with allergies and asthma What are the challenges? • Katharina Blumchen (Germany) Optimising self management Managing anxiety	ORAL ABSTRACT SESSION 4	
12:00-13:00	Lunch break		Lunch break		

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall V (Poster Discussion)
13:00-14:30	<p>SYMPOSIUM 11: Eosinophilic esophagitis</p> <p>Approaching a child with a suspicion of EoE</p> <p>Which elimination diet?</p> <p>New treatments • Jonathan Spergel (USA)</p>	<p>SYMPOSIUM 12: Horizons in food allergy</p> <p>Managing nut allergy: what are the remaining challenges?</p> <p>What specific IgE diversity tells us about egg allergy?</p> <p>Probiotics and oral immunotherapy in peanut allergy</p>	<p>WORKSHOP 7: How to design the clinical trials in children</p> <p>EMA PIP and beyond</p> <p>How to improve the patients involvement</p> <p>Perspective from the EAACI TF</p>	<p>POSTER DISCUSSION SESSION 5</p>
				<p>POSTER DISCUSSION SESSION 6</p>
Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall V (Poster Discussion)
14:30-16:00	<p>SYMPOSIUM 13: Immunomodulation: the new frontier for allergy treatment?</p> <p>Immunomodulation for food allergy</p> <p>Immunomodulation in asthma</p> <p>Any role for fatty acids? • Liam O'Mahony (Ireland)</p>	<p>WORKSHOP 8: Real-life outcomes in pediatric asthma and food allergy</p> <p>OIT in Europe: outcomes from an EAACI Task force • Montserrat Alvaro-Lozano (Spain)</p> <p>How can we maintain efficacy post the desensitization protocol? • Giovanni Pajno (Italy)</p> <p>Pediatric Asthma in Real Life (PeARL): Addressing controversies in Paediatric Asthma • Nikos Papadopoulos (Greece)</p>		
			<p>15:20-16:00 PRO-CON SESSION 3: Children with allergic asthma should be treated with biologicals</p>	<p>15:20-16:00 PRO-CON SESSION 4: Oral immunotherapy should be offered to most patients with food allergy</p>
16:00-16:30	CLOSING SESSION
