Toxicology-2019

Toxicology-2019 Tentative Program	
Day 1 - March 20, 2019	
	Opening Ceremony
	Keynote Forum
	TBA
	TBA
Coffee Break:	
	Session 1: Environmental Toxicology & Ecotoxicology & Toxicogenomics, Cytotoxicity and Genotoxicity & Reproductive and Developmental Toxicology & Immunotoxicology & Toxinology
	Title: p16/Rb Pathway Plays Critical Role in the Inhibition of Gh3 Cell Cycle Induced by T-2 Toxin
	Xu Wang, Huazhong Agricultural University, China
	Title: Metal Bioavailability in Estuarine Mudflat - Mangrove Sedimentary Environments and Bioaccumulation in Sediment Associated Biota and Mangroves and Their Possible Effect, West Coast of India
	Ganapati Nayak, Goa University, India
	Title: Drug Abuse, the Problem
	Raafat Abdeldayem, Mansoura University, Egypt
	Title: Evaluation of Yield, Heavy Metals and Vitamins Compositions of <i>Pleurotus pulmonarius</i> (Fries) Quell. Fruit Bodies Cultivated on three Deciduous Tree Logs
	Uchenna Onyeizu, Michael Okpara University of Agriculture Umudike, Nigeria
Lunch :	
	Title: Ammonia-Associated Histoarchitectural Changes in Fish
	Akshay Shivanand, Jai Narain Vyas University, India
	Title: Metal Residues and Health Risk Concern in the Consumption of Chickens Proximal to Dumpsites in Nigeria
	Osikemekha Anani, Edo University, Nigeria
	Title: Potential Protective Effect of Alpha Lipoic Acid Against Lead Toxicity in Pregnant Rats
	Hoda Aglan, University of Bonn, Germany
	Title: Assessing the Generation, Collection and Recycling Practices of Electronic-Waste(E-Waste) from Patna, India (Dirtiest State Capital in the country)
	Shristi Shreya Singh, Indian Institute of Technology, India
Coffee Break:	
	Speaker Slots Available

Day 2 - March 21, 2019	
	Keynote Forum
	TBA
	TBA
Coffee Break:	
	Session 2 : Toxicology and Risk Assessment & Pharmacology and Toxicology & Medical and Clinical Toxicology & Food and Nutritional Toxicology & Nanotoxicology & In-Vitro Toxicology
	Title: Risk Assessment for Pharmaceuticals in Manufacturing Facilities
	Varun Ahuja, Novel Drug Discovery & Development, India
	Title: The Application of Model Based Risk Assessment to Support Pesticide Registration System in Ethiopia
	Berhan M. Teklu, Plant Health Regulatory Directorate (Ministry of Agriculture), Ethiopia
	Title: Epigallocatechin-3-Gallate: The Prospective Targeting of Cancer Stem Cells and Preventing Metastasis of Chemically-Induced Mammary Cancer in Rats
	Sahar S. Abd El-Rahman, Cairo University, Egypt
	Title: Evaluation Of Protective Effect On Liver And Kidney Of Gamma-Irradiated Purslane (Portulaca oleracea) Against Paracetamol-Induced Toxicity In Rats
	Fawzia Alshubaily, King Abdulaziz University, Saudi Arabia
Lunch :	
	Title: Organochlorine and Organophosphate Pesticide Residues in Buffalo Milk Samples of Varanasi, India
	Vinod Kumar Paswan, Banaras Hindu University, India
	Title: Role of Nanomaterials in Inducing Cellular Stress and Influencing Cellular Response
	Y K Lahir, University of Mumbai, India
	Title: Potential Genotoxicity and Cytogenetic Activities of Two Herbal Extracts on Cultured Mouse Spleen Cells
	Aboul-ela Ezzat Ali, National Research Centre, Egypt
	Title: Cannabinoid Receptor Type 2 Activation Improves Cognition Impairment in Rat Model of Alzheimer's Disease
	Sahar S. Abd El-Rahman, Cairo University, Egypt
Coffee Break:	
	Speaker Slots Available

Day 3 - March 22, 2019

Poster Competition

P01	Title: Amlodipine and Insulin Overdose in an Elderly
	Adeline Ngo, National University Health System, Singapore
P02	Title: Pharmaceutical Nanotechnology and Toxicology: Current Scenario
	Srinath B, Raghavendra Institute of Pharmaceutical Education and Research (RIPER), India
P03	Title: Landfill Soil Leachates Induced DNA Damage and Apoptosis via Alterations in the Expression of Genes Associated with Apoptosis in Lymphoma Cell
	Chibuisi Alimba, University of Ibadan, Nigeria
P04	Title: The Effect of Environmental Pollution on Some Biochemical Parameters in Earthworms (<i>Esienia fetida</i> Andrei)
	Samuel Asagba, Delta State University, Nigeria
P05	Title: Detection of Dioxin-Like Compound Contamination in Bohai Bay, China by Use of the Transgenic Zebrafish Model
	Thoams (Wu) Dong, Inner Mongolia University for the Nationalities, China
P06	Title: The Toxic Effect of Using Cyanide in Gobat Salime Village
	Gihad Elamin Bashir, Sinnar University, Sudan
P07	Title: Effect of Ochratoxin A-Added Red Wine on Markers of Oxidative Stress in <i>Caenorhabditis elegans</i>
	Paula Rossini Augusti, Federal University of Rio Grande do Sul (UFRGS), Brazil
P08	Title: Knowledge Attitude and Practice of Thirty Third Village Citizens toward Asbestos Exposure Sudan 2018
	Tagwa Omer, Omdurman Islamic University, Sudan
P09	Title: Multiple Organ Injury in Mice Exposed to Ambient Particulate Matter in a Real-World Inhalation System in Shijiazhuang, China
	Wen Chen, Sun Yat-sen University, China
P10	Title: Carbon Black Particles Decrease Serum CC16 and Increase SP-A and Affect Small Airway in Exposed Population and Mice
	Yuxin Zheng, Qingdao University, China
Coffee Break:	
Poster Presentation Slots Available	
Award Ceremony
