

Registration Opening Soon!

The agenda is organized into color-coded specialty tracks focusing on pediatric and adolescent brain health. Attendees may choose to concentrate on one track, or skip around according to their interest in the session topics. All sessions throughout the symposium are appropriate for a multi-disciplinary audience.

Thursday, November 12, 2020

---------------------	--------------

General Session - Afternoon

1:15 PM - 2:00 PM	Autism and Epilepsy Faculty: Jennifer Avallone, MD
1:15 PM - 2:00 PM	Pecha Kucha Originating from the Japanese word for chit-chat, Pecha Kucha's format requires presenters to tell their story with 20 slides at 20 seconds each, for a total presentation time of 400 seconds (6:40 minutes). In this brief format, speakers must focus on the most pertinent key details, resulting in fast-paced and exciting presentations that engage the audience in less than seven minutes. <ol style="list-style-type: none"> 1. When to Refer to Neurosurgery 2. When to Seek Treatment & When to Watch & Wait: Head Trauma / Concussion 3. When and Who to Refer to Center for Behavioral Health Activity Director: George Jallo, MD Faculty: Jennifer Katzenstein, PhD, ABPP-CN , Patrick Mularoni, MD
