

AAPM 2021 SCHEDULE AT-A-GLANCE

Friday, April 23

Annual Meeting Sessions

9:00am – 10:00am

Virtual Exhibitor Hall Open

10:00am – 10:30am

General Session A – Former U.S. Surgeon General Jerome Adams – invited

10:30am – 11:00am

General Session B – Covid-19 Pandemic Update

11:00am – 11:45am

Poster Educational Session 1

(1) Missing the Target? Genicular Nerve Anatomy and its Implication for Knee Joint Denervation: A Cadaveric Study and Literature Review.

(2) Exercise-induced pain threshold modulation in healthy subjects: a systematic review and meta-analysis.

(3) A Randomized Clinical Trial Assessing the Effects of Hypnosis vs. Standard of Care on Postoperative Opioid Use After Total Knee Arthroplasty

11:45am – 12:00pm

Break / Virtual Exhibitor Hall Open

12:00pm – 1:00pm

Track A – Concurrent Sessions

(1) Headache Rapid Fire: Medical and Interventional Management Pearls

(2) Advanced Back Pain Management: The Good, the Bad and the Ugly

(3) COVID guidelines and Treating the Recovered patient

(4) Identifying the Best of the Best: An Innovative Approach to Fellow Recruitment

1:00pm – 1:30pm

Break / Virtual Exhibitor Hall Open

1:30pm – 2:30pm

Track B – Concurrent Sessions

(1) Facial Pain

(2) Understanding and Treating Shoulder, Knee, and Hip Pain: Past, Present, and Future

(3) Regenerative Medicine: Impact on Neuroinflammation, Arthritis and Pain

(4) Maintaining High Quality Pain Fellow and Faculty Education/Mentorship in the Time of Social Distancing

2:30pm – 3:00pm

Break / Virtual Exhibitor Hall Open

3:00pm – 4:00pm

General Session C - Healthcare Disparities Panel Discussion

SCHEDULE AT-A-GLANCE

Saturday, April 24

Annual Meeting Sessions

9:00am – 10:00am

Virtual Exhibitor Hall Open

10:00am -11:00am

General Session D - Federal Pain Research Strategy

11:00am – 11:45am

Poster Educational Session 2

(1) Are there Polygenic Contributors to Chronic Overlapping Pain Conditions?

(2) Long-Term Pain Characterization Through Intra-Operative Vital Signs

(3) The association of the Stanford Expectations of Treatment Scale (SETS) with expectations on pain and opioid dose in a patient-centered prescription opioid tapering program

11:45am – 12:00pm

Break / Virtual Exhibitor Hall Open

12:00pm – 1:00pm

Track C – Concurrent Sessions

(1) Ethical and Practical Concerns for Pain Care During a Pandemic or Other Public Health Crisis

- (2) Developing a Virtual Oncologic Pain Treatment Team for the 21st Century
- (3) Push, Pull, or Partnership: Strategies to Optimize Clinician- Patient Dynamics, Satisfaction and Outcomes in Patient-Centered Opioid Tapering
- (4) Artificial Intelligence: The Next Frontier in Pain Management

1:00pm – 1:30pm **Break / Virtual Exhibitor Hall Open**

1:30pm – 2:30pm **Track D – Concurrent Sessions**

- (1) Clinical and Economic Strategies in Outpatient Medical Care during the COVID Pandemic
- (2) Update on Complex Regional Pain Syndrome (CRPS): Criteria Development, Diagnostic Application, Differential Diagnoses for Psychiatric Co-Morbidity, and Interdisciplinary Treatment
- (3) Co-Managing Pain & Addiction: A Practical Approach for Pain Care Providers
- (4) Latest Developments in the Use of Virtual Reality in the Treatment of Pain

2:30pm – 3:00pm **Break / Virtual Exhibitor Hall Open**

3:00pm – 4:00pm **Track E – Concurrent Sessions**

- (1a) Telemedicine for the Pain Practitioner: Neuromuscular Exam
- (1b) Telemedicine for the Pain Practitioner- Part 2: The Neurological Examination
- (2) Neuropathic Pain: An Update on Practical Management
- (3) Chronic abdominal pain: Assessment and integrative approaches
- (4) The Nuts and Bolts of Pain Psychology: Fundamentals of Evaluation and Treatment

SCHEDULE AT-A-GLANCE

Sunday, April 25 Annual Meeting Sessions

9:00am – 10:00am **Virtual Exhibitor Hall Open**

10:00am -11:00am **General Session E – Cannabis**

11:00am – 12:00pm **General Session F – IASP Update**

12:00pm – 12:15pm **Break**

12:15pm – 1:15pm **Track F – Concurrent Sessions**

- (1) Technology, Evidence and Advancements in Neuromodulation: SCS and PNS
- (2) Pain Debates: Controversies in Pain Medicine
- (3) Multimodal Strategies for Preventing Chronic Pain After Surgery
- (4) Building and Sustaining an Interdisciplinary Pain & Spine Center

1:15pm – 2:15pm **Closing General Session – Addressing Value Based Pain Care**

SCHEDULE AT-A-GLANCE

Saturday, May 1 Annual Meeting Sessions

11am- 12:30pm Scientific Poster Session

11am – 12:30pm Annual Business Meeting
